

 **POSITION****Interior Designer - Abbotsford, BC****WHO WE ARE**

Keystone has a well-established reputation of a client-focused approach. For over 30 years, we have been cultivating a successful design process that combines innovative design with practical solutions and transforms projects into developments of lasting value.

Our People are foundational to our success and who we are. We believe in fostering an atmosphere of creativity, teamwork and success together - through a collaborative approach, each member of our team has the opportunity to contribute. Because of our diverse portfolio, company structure, and philosophy, we give our employees the exciting opportunity to gain knowledge and experience in their careers while working on a variety of project types & locations, with a variety of client groups, and throughout the project phases.

Keystone highly encourages and invests in career development opportunities, as well as growth and advancement within the workplace. We also believe in a hard work, hard play mentality and we like to have fun both while at work and outside of work as a team!

THE POSITION**We are looking for an Interior Designer to join our Team at our Abbotsford, BC location!**

You will be a part of the Interior Design leadership team responsible to lead Interior Design projects with our Architectural team and/or with external teams. Your experience will help us grow our Interior Design group ensuring design continuity and advocacy on a variety of project typologies. This role will work in collaboration with all project team members, as well as provide support to our Project Managers, as needed.

QUALIFICATIONS

- » 7+ years post-graduate experience in the Interior Design Industry
- » Completion of an Interior Design program from a professionally recognized institution.
- » Experience in the production of Design and Construction Documents utilizing Revit
- » Strong understanding of the BC Building Code and requirements pertaining to each material selection.
- » Excellent knowledge of interior construction methods, detailing and materials.

SKILLS

- » Proficient with Revit software
- » The ability to work well within a team setting and collaborate on document delivery
- » The ability to produce quality Interior Design drawings with required software
- » Strong project coordination skills and attention to detail
- » An eagerness to learn
- » Problem solving capabilities
- » Strong communication proficiency
- » A sense of humour and ability to have fun!

WHAT WE OFFER

We have a highly team-oriented, positive, and collaborative work environment, and we generously reward the success that we achieve together as a team. Our total compensation package includes (but is not limited to) the following:

- » **Competitive base compensation**
- » **Employees share in the profits through a performance metrics-based bonus system**
- » **Benefits plan including dental, extended medical (with generous paramedical practitioners coverage), life and disability insurance**
- » **Individually customizable work schedule**
- » **Higher than standard vacation allowances and allotments**
- » **Continuing education allowance**
- » **Regular events and team building activities**
- » **Work/life balance**

The successful candidate will be offered a competitive compensation package that will vary depending on experience and qualifications. The expected salary range for this position is \$78,000 - \$90,000 per year (based on an hourly equivalent).

HOW TO APPLY

Qualified candidates interested in this exciting career opportunity should send their cover letter and resume to careers@keystonearch.ca.
