

 **POSITION****Architectural Technologist - Abbotsford, BC or Calgary, AB**

WHO WE ARE

Keystone has a well-established reputation of a client-focused approach. For over 35 years, we have been cultivating a successful design process that combines innovative design with practical solutions and transforms projects into developments of lasting value.

Our People are foundational to our success and who we are. We believe in fostering an atmosphere of creativity, teamwork and success together - through a collaborative approach, each member of our team has the opportunity to contribute. Because of our diverse portfolio, company structure, and philosophy, we give our employees the exciting opportunity to gain knowledge and experience in their careers while working on a variety of project types & locations, with a variety of client groups, and throughout the project phases.

Keystone highly encourages and invests in career development opportunities, as well as growth and advancement within the workplace. We also believe in a hard work, hard play mentality and we like to have fun both while at work and outside of work as a team!

THE POSITION

We are looking for an Architectural Technologist to join our Team! The position can be located in either our Calgary, AB or our Abbotsford, BC location.

QUALIFICATIONS

- » 2+ years post-graduate experience in the Architectural Industry
- » Registered or intent to register with the AIBC as an Architectural Technologist AIBC (BC office applicants only)
 - » If not yet registered, Keystone will assist in the process and costs
- » Architectural and Building Technology Diploma or Degree
- » Experience in the production of Construction Documents utilizing Revit
- » Experience working on a variety of typologies including wood frame, multi-family and high-rises

SKILLS

- » Skilled with Revit software
- » The ability to work well within a team setting and collaborate on project delivery
- » The ability to produce quality drawings with required software in all the architectural phases
- » Strong project coordination skills
- » An eagerness to learn
- » Problem solving capabilities
- » Strong communication proficiency
- » A sense of humour and ability to have fun!
