

 **POSITION****Technologist****WHO WE ARE**

Keystone has a well-established reputation of a client-focused approach. For over 30 years, we have been cultivating a successful design process that combines innovative design with practical solutions and transforms projects into developments of lasting value.

Our People are absolutely foundational to our success and who we are. We believe in fostering an atmosphere of creativity, teamwork and success together - through a collaborative approach, each member of our team has the opportunity to contribute. Because of our diverse portfolio, company structure, and philosophy, we give our employees the exciting opportunity to gain knowledge and experience in their careers while working on a variety of project types & locations, with a variety of client groups, and throughout the project phases.

Keystone highly encourages and invests in career development opportunities, as well as growth and advancement within the work place. We also believe in a hard work, hard play mentality and we like to have fun both while at work and outside of work as a team!
